

Certificate of Warranty

Our Compliments. Selecting a Stonecrafters, LLC product is a wise choice. Granite is one of the most appealing and long-lasting natural products available. Stonecrafters, LLC is privileged to be the fabricator and installer of the material for your project.

Stonecrafters, LLC is a family-owned company, established in 1969. The granite material supplied for your project has been cut from premium quality granite that has been selected for its natural color, grain structure and durability characteristics. Granite, marble and other stone products are natural products, many of which are crystalline in structure. Natural fissures are not structural defects. As a natural product, granite, marble and stone products are also porous, which may cause dark spots and discolorations. These characteristics enhance the natural beauty of the stone and do not impair the durability of the product.

Stonecrafters, LLC warrants that all custom fabricated granite, marble and other stone products will be free from defects in workmanship and materials under normal use for a period of one (1) year from the date of installation.

During the Warranty Period, Stonecrafters, LLC will repair or replace, at its own discretion, products found to be defective. Products are warranted only to our direct customers and no warranty is extended to a third party.

This warranty excludes defects or damages caused by the following:

- Customer abuse or misuse
- Failure to maintain stone properly
- Stains and/or discoloration, dark spot or fissures which are naturally occurring in the stone.

Stonecrafters, LLC gives no other warranty express or implied and all implied warranties of merchantability and fitness for particular purpose are disclaimed. Stonecrafters, LLC will not be liable for any incidental, special or consequential damages or lost profits and under no circumstances will Stonecrafters, LLC liability for defective goods exceed the invoice price of such goods. This warranty shall govern the liability of Stonecrafters, LLC and supersedes any terms or conditions of Buyer's purchase order or invoice.
